SIR

x Ed 22-00 12

I have the honour to inform you that in accordance with Order No Z511-12 Ed 259 dated 1st December 1900, Mr Ismael Shereef Assistant Deputy Inspector of Hindustani Schools West Circle will be retired with effect from 1st January 1901, and Mr B H Mahomed Beg B A has been appointed in his place By Order No 12783-84 Ed 249-96 dated 6th April 1898 the Assistant Deputy Inspector has to address the Deputy Inspector on all points relating to the schools in his charge, the latter officer obtaining orders from the Inspector General on all important matters connected with the Hindustani Schools in the State. This procedure has been in force till now, but it has been attended by many inconveniences and delays. As the correspondence of the Assistant Deputy Inspector has to pass through the office of the Deputy Inspector of Hindustani Schools there is very often considerable delay in obtaining orders from the Inspector General Moreover it has been practically found that

either the Deputy Inspector who is in immediate charge of the schools in the East Circle is unable to give any opinion on the proposals of the Assistant Deputy Inspector who is in charge of all the schools of the West Circle, or his opinion is not of much value, as he has found it impracticable to inspect all the schools of the East Circle and also to visit schools in the West Circle and therefore has little or no personal knowledge of the state of things in the West Circle As an Assistant Deputy Inspector who has the same educational qualifications as the Deputy Inspector has now been appointed to the West Circle, I propose to allow the Assistant Deputy Inspector to correspond with the Inspector General direct, in order to facilitate despatch of work and also to render the Assistant Deputy Inspector solely responsible for the state of the schools in the West Circle The divided responsibility at present weakens the hands of the Assistant Deputy Inspector I request therefore that Government will be good enough to approve of the alteration I propose in the division of work between the Deputy Inspector and the Assistant Deputy Inspector, the former being placed in charge of all the Hindustani schools of the East Circle and the latter of all Hindustani schools in the West Circle

2 The schools of the West Circle are as important and almost as numerous as those of the East Circle Under these circumstances I ould prefer to place each Circle under a Deputy Inspector, but defer making such a proposal to a more favourable occasion when Government will be more likely to sanction the
